Stable Guidelines

- Please use good judgment while driving at the farm. Keep your speed under 5 mph and keep your car distraction-free.
- Please use a high standard of courtesy in your use of all common areas. Collect manure immediately from arenas, driveway, stable aisles and wash areas.
- Keep stable areas clean and tidy. This includes, but not limited to, cleaning walls, feed bins, water buckets, etc. Please leave the stalls in the same clean and sanitized condition as you found it. We have cleaning supplies if needed.
- Paddocks are shared spaces. Please check with management about availability. Please keep gates closed at all times.
- ***Dog owners:*** keep dogs away from training and high traffic areas. Any dog that is disrupting riders or any equine professional must be promptly relocated. Be quick in removing dog waste. **PLEASE, NO VISITING DOGS.**
- We ask that you acknowledge your responsibility for damage done to Stillpoint Farm by yourself, your animals, and/or your associates.
- Trailer parking is no longer available. Stillpoint Farm has a truck and trailer available in case of emergency.
- If you must leave your car or truck, please park by the Casino.
- Stillpoint Farm considers dressage a “team sport” and therefore welcomes our clients to bring friends and family. **It is imperative that all guests sign Liability Waivers and Stable Guidelines acknowledgements upon arrival.**
- Please enjoy our Casino/Lounge area and viewing deck. They are for your comfort and enjoyment. Please take care to recycle anything that qualifies in bins provided and dispose of trash. We are happy to offer these comforts with the expectation that clients and visitors will tidy up after themselves and occasionally contribute to the tea, coffee, water, horse treats, and munchie supplies. These considerations also apply to the staff kitchen in the Main Barn.

*It is our privilege to provide a safe, productive, and professional training center.
Thank you for your cooperation.*
